TOWN WARRANT

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Mason in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

[L. s.]

You are hereby notified to meet at Town House in said Mason, on Tuesday, the tenth (10) day of March next, at 9 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To choose one Trustee of Boynton Common School Fund.
4. To choose one Trustee of the Stearns Common Bequest.
5. To choose one Trustee of Cemeteries for three years.
6. To see what sum of money the Town will raise and appropriate for Library purposes.
7. To choose one Trustee for Mason Free Library.
8. To see what sum of money the Town will raise and appropriate for repair of Highways and Bridges.

9. To see what sum of money the Town will raise and appropriate for Care of Cemeteries.

10. To see what sum of money the Town will raise and appropriate for Memorial Purposes.

11. To see if the Town will vote to accept the provisions of the State Law necessary to receive the benefit of State Aid for permanent improvement of Highways.

12. To see if the Town will raise and appropriate a sum of money for Old Home Day Celebration.

13. To see if the Town will vote to purchase a number of fire extinguishers and raise and make an appropriation for the same.

14. Pending action of the State Legislature, to see what sum of money the Town will raise and appropriate to be used in conjunction with the state in constructing the main road to Ashby in District No. 6.

15. To see what action the Town will take in relation to installing an electric light unit in Town Hall, and take any action relative to the matter.

16. To see if the Town will raise and appropriate a sum of money to resurface and tar the road leading from the Ashby road down the hill to Wilson Cottage.

17. To see if the Town will raise and appropriate a sum of money necessary to comply with the State in the control of the White Pine Blister Rust.

18. To see if the Town will vote to make any discount on taxes if paid on or before Saturday, June 6, 1925.

Given under our hands and seal, this twenty-first (21) day of February, in the year of our Lord nineteen hundred and twenty-five.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Mason:

I submit my second annual report as Superintendent of Schools.

SCHOOL ORGANIZATION.

In the school at the centre of the town we have several advantages this year in that we have held the same teachers who taught there last year, the school is not crowded, and the attendance has been better than for the same period last year. Good progress is the result. At the Number Six school, progress last year was somewhat impeded by the fact that we had four different teachers during the year. That situation has been remedied for there has been no change this year and we trust there will be none. The school has about the same enrollment and the attendance has been nearly as good as it was a year ago and reasonable progress is being made.

We attempted to keep the seventh grade pupils at the Number Six school hoping that it might prove satisfactory and save transportation, but by November it was evident that the good of the school demanded that this grade should be taken out so that a fair proportion of the teacher's time might be devoted to the lower grades. I think there is no question but that the seventh grade pupils are also benefited by the change and also the seventh grade at the village, for the increase in the number of pupils doing the same grade of work is stimulating to all of them.

SUPERVISION.

The chief function of the Superintendent of Schools is of course to supervise the work of the teachers and this is accomplished chiefly in two ways: by visits to the teachers at work and by means of standard tests.

The statistical report which follows shows a total of 54 supervisory visits during the school year, or an average of 18 visits per teacher. It would be desirable if this average could be increased but a large proportion of the Superintendent's time is necessarily taken up with administrative duties. During the past school year about 42% of my time was devoted to school visiting; about 38% to office work which included the study of standard tests referred to above; about 13% to other administrative duties within the Supervisory Union; and about 7% to administrative duties that took me away from the Union.

The same standard tests have been used this year as last year, and cover the subjects of arithmetic, reading, spelling, writing and language. Detailed study of the results enables the supervisor to know with considerable accuracy the quality of teaching being done, and enables him to make suggestions to the teachers on the basis of definite facts. For example, a set of language tests was recently given in grade seven and definite recommendations and directions were given to the teacher on the basis of the results of these tests.

SPECIAL ACTIVITIES.

The graduation of eight pupils last June from the Mason school was an event of considerable interest and importance. The exercises of the evening were creditable to teachers and pupils and a large attendance showed the deep interest the people took in the school and these exercises. There are no pupils in the eighth grade this year but there is a good class in the seventh grade.

The pupils and all interested in the schools are very appreciative of the work done by the Parent Teachers' As-

sociation and the good things they have provided for. The effort this year to raise money for a piano is mentioned in the report of the music supervisor. It is a worthy undertaking and the school will profit not only from the use of the piano when it is secured, but from the united efforts in securing it.

MEDICAL INSPECTION.

The regular medical inspection was conducted by Dr. Pease in October when 56 pupils were examined with the following results:

Defective Vision	4
" Teeth	30
Pediculosis	1
Enlarged Tonsils	7
Unvaccinated without proper excuse.....	11

Number of treatments secured since the previous examination:

Defective Teeth	21
-----------------------	----

I would call special attention to the eleven cases of unvaccinated children. The state law requires that children attending school be vaccinated and places the enforcement of this law chiefly upon the health officials; but children may be excluded from school by the school authorities, and I suggest that notice be given that after September 1 of this year no unvaccinated pupil of any age will be admitted to the school without a proper exemption certificate as provided by law.

RECOMMENDATIONS.

Beyond the ordinary repairs that will doubtless be necessary during the next summer vacation, I have but one specific recommendation to make at this time: I think some better means should be provided for disposing of the sewage at the village school, and I suggest an underground drain deep enough to draw the sewage directly

from the outlet at the bottom of the tank and extending far enough away from the building underground to take care of the waste material.

The usual tables of statistics follow this report. Let me express my appreciation of the loyal and efficient work of the teachers, the support of the School Board and the good will shown by the citizens interested in the schools.

Respectfully submitted,

VERNON S. AMES,
Superintendent of Schools.

Wilton, N. H., February 2, 1925.

REPORT OF THE MUSIC SUPERVISOR.

To the Superintendent of Schools:

I am submitting my third annual report as Supervisor of Music for the town of Mason, New Hampshire.

On account of an increase in the number of pupils, additional music books were bought and placed in the hands of the pupils. As a supplement to the regular work a number of the "One Hundred and One Best Song" books were purchased.

The pupils in the village school have become quite enthusiastic over buying a second hand piano for use in the building. On the last day of school, before the Christmas vacation, the students presented an operetta, "The Old Woman Who Lived in a Shoe," from which they realized about eighteen dollars to add to the piano fund. Chocolate is also being sold, the money to be put into the fund.

At this time I would like to thank the School Board and the Superintendent for their support.

Respectfully submitted,

MARION A. KING FITCH,

Supervisor of Music.
